

ANNEX LV - SPECIAL TERMS AND CONDITIONS FOR THE ccTLD .LV

In addition to the general terms and conditions CG-ND, the registration or use of a Domain Name in a .LV Extension implies the acceptance and respect of these special terms and conditions CP-ND-LV.

All terms employed in these special terms and conditions beginning with a capital letter are to be interpreted in compliance with the definition assigned to them in the general terms and conditions CG-ND.

SECTION LV.1: TRUSTEE AUTHORITY AND REGISTRY

LV.1.1 The following diagram shows the different operators and the naming system for this Extension

LV.1.2 As the registrar accreditation model is not implemented at the registry, NETIM acts as a technical and billing contact for the management of .LV domain names

SECTION LV.2: REGISTRATION REGULATIONS

LV.2.1 Domain Names under this Extension are registered on a "*first come, first served*" basis, unless if exception is made by the registry (i.e. for prohibited or reserved terms).

LV.2.2 The Client declares and guarantees that the Domain Name respects the rights of third-parties, currently applicable laws as well as the regulations specific to the Extension, which can be consulted at the following addresses:

<http://www.nic.lv/resource/show/97>

The Client agrees to have read and accepted this contractual document (the "NICLV Regulations" below) which binds him to the Registry. These special terms and conditions do not substitute these regulations which are integrated by means of a hyperlink.

SECTION LV.3: TRANSFER REGULATIONS

LV.3.1 It is not possible to transfer a Domain Name in this Extension to NETIM

SECTION LV.4: EXPIRY / RESTORATION REGULATIONS

LV.4.1 When the Domain Name's expiry date has passed without prior renewal by the Client, it shall be disabled for a period of thirty (30) calendar days during which all NETIM's associated services shall no longer be available. The Domain Name shall be referred to as in "quarantine" status

LV.4.2 If a Domain Name has been destroyed with the past thirty (30) calendar days, it can be reactivated subject to the following conditions and procedures, and depending on the details provided to NETIM when carrying out these procedures:

- i) restoration is only possible from a technical point of view for the so-called "quarantine" period, which is the thirty (30) day period between the Domain Name's expiry date and its destruction by the Registry
- ii) payment for the restoration must be made seven (7) days before the destruction of the Domain Name by the Registry, to enable NETIM to carry out the operation within the time limit. Failing this, the Domain Name might not be restored and NETIM cannot be held responsible on these grounds.
- iii) the restoration procedure restores the Domain Name's previous parameters (personal and technical information) and extends by one (1) year the duration of the Domain Name's registration starting from the previous expiry date.

SECTION LV.5: CONTRACTUAL AMENDMENTS FOR SPECIAL TERMS AND CONDITIONS

LV.5.1 Regulation laid down by the Trustee Authority and the Registry are subject to change. These changes, linked to the naming system for .LV extensions are imposed by the Registry in charge of this Extension and represent changes that are not beyond NETIM's control.
