

This form must be used if the owner wishes to transfer domain names from NETIM to another registrar AND if the transfer must be initiated by NETIM

I understand that:

- NETIM does not charge for the completion of the transaction.
- NETIM can not cancel the operation, once the latter has been initiated.

Surname and first name
Email address

New registrar TAG

.....

I, owner of the handle managing the domain names identified above , hereby request the outgoing transfer of the domain names.

I attach a piece of identity (as individual or as representative of the organization) to justify my request.

I understand that NETIM will not be able to transfer the domain if I can not prove my identity, and NETIM can not be held responsible for delays if the application is incomplete or if the form is not completed correctly.
